LEADING VIRGINIA'S PORTS

Is your business involved in international trade or Virginia's port industries? **Join the "The Voice of Port Industries"** as a member of the Virginia Maritime Association (VMA), the premier business organization dedicated to enhancing competitiveness and promoting commerce through Virginia's ports and supply chain.

Founded in 1920, the VMA has grown to **represent more than 450 companies** that employ over 70,000 Virginians. **The VMA is the industry's advocate** on policy, regulatory and legislative actions at the local, state, and federal levels, affecting a pro-business environment for our ports and the maritime industry. **As the industry's watchdog**, VMA constantly monitors and protects against issues and developments harmful to your business, allowing you to focus on your company's business growth. **Membership in VMA gives your business a voice in the political and public arena decisions that impact the business environment and your company.**

As a VMA member you benefit from:

- ✓ Communications addressing port operating conditions, regulatory changes, and industry intelligence
- ✓ Networking and business development opportunities
- ✓ Unique access to government and port leaders that only come with membership

Only through membership do you gain the fullest benefits from the VMA's efforts and become part of the driving force keeping us all as competitive as possible.

Membership in the VMA offers the opportunity to add your voice to **our diverse committee structure**. We are prepared to address any subject relating to port operations, waterborne commerce, and the supply chain, such as:

- ✓ Encouraging efficiencies, enhancements, and planning
- ✓ Coordinating liaison to the public and all levels of government, presenting and advocating the ports
- ✓ Educating the maritime supply chain community on port issues through events and publications
- ✓ Fostering stronger growth of the ports and Virginia's maritime-related business community.

With room to strengthen and influence this network, the Virginia Maritime Association encourages you to join today. For further information or questions regarding your VMA Membership, please contact Kristen Greene, Director of Membership Development, at kristen@vamaritime.com or 757-628-2678.
